We will continue to be available to provide ongoing information and support as your volunteer needs evolve.

### **Supplemental Insurance**

As an RSVP member you will be covered by supplemental insurance when you volunteer. Coverage includes accident medical, volunteer liability, and automobile liability in excess of any other valid and collectible insurance coverage.

### **Be Counted as Part of a National Movement**

Adults 55 years and better are giving thousands of hours daily to positively impact the communities in which they live. Your hours will be counted with those of your peers to demonstrate to policy makers and the community the impact of senior volunteerism on local and national levels. You will help send the message that older adults are making meaningful contributions, solving problems, and bringing our communities together.

### **RSVP Newsletter**

The RSVP Newsletter will inform you about issues affecting volunteers and provide you updates on how volunteers 55 and better are impacting the community.

### **Volunteer Recognition**

RSVP celebrates your accomplishments and honors the work that you do. This takes a variety of forms, including special events, trainings and opportunities offered to RSVP members.

## Volunteer Assignments

Volunteers are matched with RSVP programs or with community partners according to their interests, abilities, preferences and availability. Special consideration is given to developing assignments that allow for volunteers with limited physical strength and mobility or other disabilities. Volunteer assignment descriptions are given to volunteers. Volunteer assignments and terms of service, including hours, reflect the individual preferences of volunteers.

## Community Partners

A Community Partner is a public agency, private non-profit organization, or proprietary health-care agency or organization that accepts the responsibility for assignment and supervision of volunteers. Community Partners sign a Memorandum of Understanding with RSVP, outlining responsibilities for each party, every three years. It is the organization that you will work with on a regular basis to help meet community needs.

## Volunteer Orientation

Volunteers work most successfully when they have a clear understanding of the RSVP program and their roles and responsibilities as volunteers. It is our duty as RSVP staff to provide you with the information you need to be an RSVP volunteer. This Handbook serves as your orientation to RSVP policies and procedures, and you may feel free to contact either the VCCV Executive Director or RSVP Coordinators with any questions or concerns.

## **Community Partner Orientation**

At the beginning of a volunteer assignment at a Community Partner, you will be introduced to the procedures of that assignment by the Community Partner Representative. When volunteering, you must follow the Community Partner's policies and guidelines for staff and/or volunteers. Any concerns regarding the policies and guidelines should be taken to the Community Partner Representative. If concerns are not resolved, please contact the RSVP staff.

## **Volunteer Training**

Some volunteer positions may require training to an individual volunteer job. Volunteers are expected to complete all necessary training before they begin their volunteer assignment. RSVP provides training to volunteers who are directly serving in RSVP-sponsored programs. Other training will be offered through the Community Partners that you are assigned. Some volunteer positions may also require on-going training.

## **Time Commitment**

Volunteers with the RSVP Program can choose the amount of time they would like to serve. Volunteer assignments can be weekly, monthly or on a more varied schedule. The amount of time the volunteer serves is up to the volunteer.

## **Insurance**

All volunteers are provided with accident and liability insurance at no cost, which supplements their existing insurance policy. The accident coverage and liability insurance covers time during which volunteers are providing service.

Volunteers who use their own cars to drive for their volunteer placement are also provided with excess automobile insurance at no cost to the volunteer. This coverage is for liability claims only and does not cover any damages to the vehicle. Volunteers who use their own vehicle are required to keep updated minimum levels of liability insurance required by the State of Iowa. The RSVP Volunteer Registration Form must be signed and dated by the volunteer and a member of the RSVP staff. This is to confirm that the volunteer has at least the "minimum" of auto insurance coverage and a valid driver's license. This form will be filed and kept within the RSVP office. Per Federal Regulations, beneficiary information must be filled out in the entirety.

In case of an accident, auto or otherwise, volunteers must notify VCCV as soon as possible following the incident. The primary insurance agency must also be notified, and insurance statements and bills must be filed with the supplemental insurance company.

## **Reporting Volunteer Time**

Volunteers play an important role in the growth and development of the program. Volunteer hours are essential to the program to show impact in the community and to receive continued funding. To remain active and receive the supplemental insurance, a volunteer must record at least one hour of volunteer time every 12 months.

If you are unable to serve for more than 12 months, please contact the RSVP office. We will place you on a temporary inactive list, so you will continue to receive RSVP information. When you are ready to volunteer again, just call and we will happily return you to the active list.

The Council's role is to assess the RSVP Program, offer advice to the staff, assist with special events, and help promote, publicize and advocate for the RSVP program in the community.

## **Volunteer Separation**

Volunteers who do not report the minimum 1 hour of volunteer service in a calendar year become inactive and are no longer eligible for supplemental insurance or participation in recognition events. Volunteers, who become inactive, will be withdrawn from all roles but may be re-enrolled in the program by contacting the RSVP office.

Volunteers may terminate their volunteer assignment at any time by notifying the RSVP office. The staff will assist the volunteer in locating an alternative volunteer placement, when requested. VCCV

and a community partner may separate a volunteer for cause, including but not limited to, excessive or unauthorized absences, misconduct, a breach in confidentiality, an inability to perform assignments or unwillingness to accept supervision. All decisions regarding separation will be discussed and agreed upon by VCCV and the community partner's supervisor.

Volunteers can appeal any decisions made by VCCV by first speaking with the volunteer coordinator. If the volunteer is not satisfied, they may write their concerns to the chairman of the RSVP Advisory Council. Staff will advise you of the person to contact.
